Under 11's Tuesday 6.30 pm Under 12's Wednesday 6.30 pm

When Tarleton Rugby Club was formed nearly 25 years ago it was the first rugby club in the world to be formed to promote childrens' rugby. Our aim remains to give local children an opportunity to play rugby in a caring friendly environment. From our early beginnings on a borrowed pitch at Tarleton High School the club has grown to be one of the most successful clubs in the county. In 2003 we moved to our own site at Carr Lane and since then we have invested almost a £1m in our pitches and clubhouse. The club now boasts some of the best facilities of any community rugby club in the North.
